## **Rector's Warden Report for St. James Anglican Church**

The year 2025 marked our fifth anniversary living into our union at the Neepawa United Anglican Shared Ministry.

In the first quarter, the rhythms and patterns we have woven together over time, continue to flow: brunches, Sunday services, Shrove Tuesday lunch, funerals, baptisms... We were living into our mission.

In early March, Chad shared with us that he had put his name forward to stand as a candidate for the open Bishop's position at the upcoming synod in Saskatoon. On March 8, 2025, Chad was elected Bishop of Saskatoon, with his start time there set for mid June 2025.

Through the spring, we felt the sting of loss, the reality of change, and gratitude that Chad had been our shepherd, from our earliest beginning to our current place.

One thing remains true. We are committed to continuing and growing our shared ministry. We believe our "1 church, 1 Minister, 1 Sunday service and shared practices" motto has and will continue to describe who we have become.

St. James members along with parishioners from the United Church actively participated in creating the NUASM Church Profile now listed on Church hub, a confidential online platform that allows approved congregations to seek out approved ministers.

St. James members, Jackie and Nancy also are a part of the Search Committee tasked with finding us a new minister. Work is ongoing and to date we have sent out 21 emails to potential candidates asking them to read our profile and get back to us. We received back 14 responses: 13 decline and 2 follow up emails have been sent. Reasons for "saying no" to us included: not being able to relocate or considering other churches. Many included encouraging us in our search efforts.

Heartfelt thanks to our GAP committee volunteers who have moved heaven and earth ensuring every Sunday service from June 2025 to well into June 2026 is filled with clergy. Many thanks to Rita and Anita who continue to take many services. The visiting ministers and priests who we have had in the pulpit, have enriched our faith experience. Your warm welcome presence in the pews draws them back to serve us time and again.

Bishop Rachael has been such a strength to us! Along with Archdeacon Cheryl, she committed to find priests to preside over Wednesday Communion once a month. She has kept the promise often arranging for two services a month. We know she has submitted our vacancy to the Anglican side of the house and is very supportive of our shared ministry.

We have so enjoyed our weekly Bible Study hosted by Daphne exploring the women of the Bible. So much strength, hope and sense of safety amongst the women who attend!

We continue to be shoulder to shoulder volunteering on most committees that help to support our church.

We at St. James, are such a giving group: our time, our talents, our prayers, our baking, our support to each other. We love our times of fellowship, food and fun! We were astonished by our financial givings as well. In 2025, we donated over \$11,000 to a variety of causes locally, across Canada and internationally. And we increased our monthly contribution to NUASM raising the monthly total to \$2,500.00.

We pray, God, to watch over us, hear our prayers as we remain open to hear your word, and to respond to your faith in us. May we continue to live into your blessings and care.

Blessings, Nancy Hunter

## **People's Warden Report**

This year was a year of change and some challenges. In the Spring Father Chad was elected to be the Bishop of Saskatoon. After Father Cahd's last Sunday Service in May, NUASM held a farewell lunch for Father Chad and his family. It was a time to thank Father Chad for his ministry and to share our memories over a delicious lunch of chilli and cake. St. James' presented Father Chad with a farewell gift of a \$1,000 contribution to his Vesting Fund.

September 21<sup>st</sup> we celebrated our 5<sup>th</sup> Anniversary as the Neepawa United Anglican Shared Ministry. We joined with Bishop Jim Njegovan, Rita Friesen and Rev. Leith Saunders for a special Sunday service to celebrate this milestone. A joint Holy Eucharist was celebrated at this anniversary service, Bishop Jim Njegovan gave a sermon related to all the positive aspects of our shared ministry, and he highlighted that it is the combined strengths of our shared ministry that allows us to move forward together as Christians to achieve important goals as a working church. We were all invited to a 5<sup>th</sup> Anniversary lunch after the service.

In 2025 we celebrated the 100<sup>th</sup> Anniversary of the United Church of Canada. Rev. Joe Ball, a previous Minister of the Neepawa United Church, led this service, and after our time of worship we all joined together for a 100<sup>th</sup> Anniversary Lunch.

As a shared ministry our church families work very well together. Members of St. James' take part in worship service, we attend NUASM Board meetings and are members of various committees. This year we helped at the "Gently Used" sale held in the Spring and we also helped with the Shrove Tuesday Pancake Lunch. Throughout the year we have helped with funeral lunches, Sunday brunches, and fundraising activities. Members of St. James' family are also active on the Mission and Service committee taking part in outreach programs for those living in senior residences and many other outreach projects. Members of this committee plus others, together with women from the Prairie Alliance Church met together to cut, and sew quilts made from denim, using material from old denim jeans. The finished quilts were donated to the "Bear Clain" in Brandon and given to those in need (homeless individuals).

Arlene Waddell continues to be our Anglican representative and our liaison between St. James and the UCW. Arlene attends monthly UCW meetings and reports all relevant information to us. Arlene is responsible for contacting us and filling any positions as requested. We have an updated Phone Tree for communication.

In 2025 St. James Church gave a \$1,000 scholarship to a graduating student from NACI. Criteria for this scholarship were to be at the discretion of NACI administration, but it was stressed that it should be given to a student who was not eligible for any other current scholarships. Sammy Uyaivatu was the recipient of this scholarship, and it was presented to him at the NACI Graduation Ceremony by Lane Englund.

On December 14<sup>th</sup> NUASM hosted a well attended community service of "Lessons and Carols" with participation from the wider community, plus many choirs: The Choraliers, Neepawa Community Choir and The Hims. The collection from this service was donated to the Neepawa Salvation Army Community and Family Services.

The Alter Guild continues to be active in certain aspects of our Anglican worship service, and we are always

open to recruiting new members.

In the absence of an incumbent Anglican priest, we continue to have at least one mid week Eucharist Service each month. We are grateful to Bishop Rachel for her diligence in finding priests who are willing to travel to Neepawa to lead these Eucharist Services. The Mid week services are well attended by both Anglicans, and others from varying denominational backgrounds.

We continue to have a dedicated and active “Prayer Chain.” New members are always welcome.

We have Bible Studies throughout the year, led by Daphne Hall and Rita Friesen.

Kelly Sneesby is a member of the GAP Committee, and this committee has been successful in finding Ministers and or Lay Ministers for our Sunday Worship Service.

September 17<sup>th</sup>, we attended a Congregational Meeting with Rev. Judy Hares and Rev. Leith Saunders. This meeting was called to approve the “Ministry Profile” document which describes our Community of Faith. Bishop Rachel sent a letter expressing her support and approval of the work done by the “Profile Committee” and the documents which they produced.

The Shared Ministry has shared both a “Profile Committee” and a “Search Committee” who have and continue to work diligently to find a potential future full time Minister for our United Anglican Shared Ministry. Members from St. James’ sit on these Committees. We express our thanks to all those involved.

**Report from the NUASM Search Committee:**

Lynda, Jackie, Brian, Jane, Nancy & Don W.

Following our NUASM Church Profile being approved by Prairie to Pine Regional Council and Bishop Rachael of the Diocese of Brandon, it was uploaded to the United Church hub. This confidential online platform means approved ministers can explore approved churches seeking a minister and we, as an approved church, can read ministers profiles and connect with them.

Throughout November & December 2025, the Search Team read through over 200 minister profiles, dividing the task amongst the 6 members. We looked at every listed clergy. The criteria that guides us includes: ministers seeking full time employment and eligible for our church as defined by the UC & Anglican judicatories: (no students or minister currently residing outside of Canada)

As of January 12, 2026, our committee has sent out 21 outreach emails to possible candidates asking them to read our profile and get back to us. To date we have received 14 responses: 13 declined and 2 follow up emails have been sent out. Reasons for “saying no” included: not being able to relocate or considering other churches. Many were encouraging our search and found our profile interesting.

Both judicatories are aware of our current progress and have acknowledged there are fewer ministers available and a growing number of churches who are without clergy and are considering closure.

We, as the Search Team, are staying focussed, positive and open to exploring new applicant additions to the Church hub. Bishop Rachael remains very supportive and has advised Bishop s across Canada of our search for a new minister to lead us.

Heartfelt thanks to the GAP committee volunteers who have moved heaven and earth to ensure every Sunday service from June 2025 well into 2026 is filled with clergy. We know God sees our need. Please continue to pray to the Holy Spirit whose power working in us can do more than we can ask or imagine. Guide us to the person who can be our minister as we go forward.
